Call for Entries to the 2019 Visions of Light Photographic Exhibition

PALMER LAKE, CO – Photographers of all levels are invited to submit their original photography for consideration in the 2019 Visions of Light Photography Exhibition, sponsored by the Palmer Divide Photography Group and the Tri-Lakes Center for the Arts. The Visions of Light Show is a juried photography exhibit of fine art.

Entries can be submitted until January 14, 2019. Early entries, at a discounted rate, are open until December 17th. Complete entry information and entry forms are available online at info@trilakesarts.org or <http://pdphotographers.com/2019-visions-of-light-call>. Entries are \$35 for 3 photographs, and \$10 for each additional entry.

The mission of Visions of Light Show is to challenge photographers to go beyond producing a technically correct photographic image and demonstrate their use and control of light to help define the subject. The light can be natural or artificial; or a combination that enhances the impact, drama, emotion, and message of the image. The underlying theme is the vision, interpretation and use of light.

The Opening Reception will be 6-8 p.m. on March 1, and the show will be open from March 1 to April 26.
