# Best of the best in local business, service recognized

Do you have a favorite service provider, shopping area, restaurant or automotive locale?

Have you done business with someone who executes their position and service in an admirable manner.

To allow area residents to give those outstanding individuals and businesses the applause they feel they deserve, the Cleveland Daily Banner produces an annual Reader's Choice.

The "choices" in 174 categories were selected from nominations submitted and voted on by the recent Reader's Choice 2016 promotion in the Banner.

The response was great, noted Sheena Meyer, retail advertising manager.

Local residents selected the "best" and runner-up and then picked an overall Best Business.

The results were independently tabulated to name "Reader's Choice."

The winners and runners-up are included inside today's special thank you section.

The winner of the Chef's Tasting for Two to the Five Point Square was Ginger Holland.

"The Banner appreciates the individual readers' responses as well as the support of advertisers as this search offered the opportunity for the favorite choices to be highlighted,"

noted Stephen Crass, editor and publisher of the Cleveland Daily Banner.

Additional copies of this special section featuring the winners and advertisers may be

found at the Cleveland/Bradley Chamber of Commerce, advertisers and the Banner office.

The section may also be viewed online at [www.clevelandbanner.com](http://www.clevelandbanner.com).

## I'm Grateful for the Support of My Community.

I became an Edward Jones financial advisor because I wanted to be part of a firm that truly puts its clients' needs first. I believe our long-term investment philosophy, conveniently located offices and personal, face-to-face approach show our commitment to helping the people in the communities we serve every single day.

On behalf of Edward Jones and my branch office, it gives me great pride to have been named Reader's Choice 2016 by the readers of the Cleveland Daily Banner. This recognition wouldn't have been possible without your support, and for that I'm grateful.

## Congratulations Shelly Coleman

We have always known of your servant heart. Whether in Africa, Peru, Haiti, or Honduras or the various ways you served here in Bradley County, you gave of yourself. It was never more obvious as when you opened your arms and home to the many adults and children who came to

the USA for medical care. The greatest was the long term commitment of bringing the triplets into our home and community. Your family and community are grateful for the love and mercy you have shared with us.

CHI Memorial is the *Best* of Bradley County!

# Cleveland Cylinder Head

900 Freewill Rd NW, | Cleveland, TN 37312  
(423) 473-4730

From small engines, to passenger cars, to farm tractors, we're here to service your needs. We specialize in cylinder head cleaning, surfacing, valve jobs, crack and pressure testing, port and polish, valve guide and seat installation, decking blocks, engine building and rebuilding. We also are a Preferred Enginetech parts provider which allows us to sell premium head gasket sets, head bolts, and most all parts needed in building or rebuilding engines at a lower price than local parts stores.

Cleveland Cylinder Head is a direct descendant of Riverside Machine Shop. In July 2013, Jamie Mayton (owner of Moe's Towing) formed Cleveland Cylinder Head and acquired the equipment and employees of Riverside Machine Shop who has serviced the Bradley County area for a number of years. Both companies take pride in the quality of service

provided, and it only made sense to maintain that by retaining the employees and their expertise. Timely service is extremely important to everyone involved. Our goal is to provide same day/next day service to all of our customers. Along with that, we provide free local pickup and delivery. Quality work, timely service, and excellent pricing --- call us today (423) 473-4730.
