

Special Offerings

JEWISH RHODE ISLAND offers two special publications each year, in a glossy format that provide robust resources for the community.

The Simchas Guide – Publish date: May 17, 2019

A comprehensive directory for folks in the community who are planning major events such as weddings, Bar/Bat Mitzvahs, birthdays, anniversaries, retirements or graduations.

The Guide To Jewish Living – Publish Date: September 20, 2019

A guide to resources including synagogues, congregations, community organizations and providers of goods and services that are tailored for the needs of the Jewish community.

Both these guides allow local businesses to deliver their brand and product message with impact over an entire year. Each day someone in the community plans a special event where these guides would provide valuable resources.

These guides will be available on the Jewish Rhode Island website at www.JewishRhody.org.

Newsletters – To complement our switch to a monthly publication, Jewish Rhode Island will provide a regular opt-in email newsletter to keep our readers up to date with (breaking) news of interest to the Jewish community. These newsletters are available for sponsorship.
