

A NEW LANDFILL HAS BEEN APPROVED OR HADN'T YOU HEARD?

**KEEP THE LIGHT
ON PUBLIC NOTICES**

Right now, government officials have to publish their intentions in the newspaper. Including where they intend to build facilities you don't want down the block. But that will change if some politicians get their way. They want to start putting public notices online instead, buried somewhere on a little seen, rarely visited website. Don't let government keep you in the dark – help shine the light. Contact your local legislator and voice your opinion. Visit www.publicnoticeads.com/NM for public notices printed in NM newspapers.
