Community Closeout at Williams Point by SR Homes
Local builder announces final two homes at new Cumming community

CUMMING, Ga. — Top Atlanta builder SR Homes is thrilled to announce that only two homes remain at its popular Cumming community, Williams Point. Priced from the mid-\$500,000s, the well-appointed homes at this Colonial-inspired community boast generous bedrooms, spacious main floors designed for living and entertaining and more.

One home that remains features the Hampton home design with five bedrooms, four baths, a three-car garage and 3,615 square feet of luxurious living space, perfect for a growing family. Guests are immediately welcomed into the two-story foyer leading to the living room, formal dining room and two-story great room with natural stone, wood-burning fireplace, built-ins and view to the kitchen. The gourmet kitchen is sure to impress with its oversized, signature SR Homes island, corner sink, stainless steel appliances, granite countertops and painted cabinets. The formal dining room features elegant judge's paneling and connects to the kitchen through a butler's pantry.

The owner's retreat features a massive walk-in closet and the spacious laundry room includes the option of a utility sink. The tree-lined backyard creates the perfect backdrop to spend time with family and friends around the fire pit with plenty of room to add a pool! This home, located at 3785 Williams Point Drive in Cumming, is currently priced at \$549,900.

The final home remaining at Williams Point features the Findley home design with five bedrooms, four baths, a three-car, side-entry garage, full basement and 3,896 square feet of living space. Located on a large wooded space, this traditional two-story home offers plenty of room for entertaining guests. Notable appointments of this move-in ready home include a keeping room, three fireplaces, a two-story great room with built-ins and shiplap ceiling, covered deck with concrete patio underneath, custom kitchen cabinetry with Davidson vent hood and upgraded stainless steel appliances and 5-inch judges paneling in the formal dining room. The main level boasts hardwood flooring throughout, with the exception of the bedroom. Located at 3745 Williams Point Drive in Cumming, this move-in ready home is priced at \$574,900.

Inspired by the Colonial American architecture of Williamsburg, Virginia, the distinguished homes at Williams Point offer both charm and convenience. Williams Point residents enjoy its prime Forsyth County location and impressive community amenities that include a sparkling pool, two lighted tennis courts, sitting areas and cabana, all located at the central community gathering space, aptly named “The Retreat.”

Popular shopping, dining and entertainment options are also located nearby at The Collection at Forsyth, Sawnee Mountain Park, Poole’s Mill Park and Big Creek Greenway, to name a few. Easy access to GA 400 and Highway 20 help alleviate the daily commute. Additionally, children living at Williams Point attend top-rated Forsyth County schools at Matt Elementary, Liberty Middle and West Forsyth High.

To learn more about the final two opportunities at Williams Point, visit www.SRHomes.com/Williams-Point or call 678-252-2557. Additional information regarding new home opportunities from SR Homes throughout the north metro area is available at www.SRHomes.com.
