FrontDoor Communities Announces New Roswell Townhome Community
Builder acquires land within walking distance of historic Roswell

ROSWELL, Ga. — FrontDoor Communities is excited to announce its acquisition of land at South Atlanta Street in Roswell for a new townhome community, expected to offer pre-sales in early 2018. Priced from the mid-\$500,000s, the community will offer residents a luxurious living experience less than a mile from historic Roswell.

Featuring 50 townhomes with two-to-three stories, the new development will include the architectural and structural superiority expected of FrontDoor Communities with master-on-main options available, all while being located a short stroll from downtown Roswell's many attractions.

"We've had such huge success with similar communities in the area, such as Gouling and Providence, that we decided to expand our presence with this new deal," said FrontDoor Communities CEO Terry Russell. "We are excited to continue to contribute to the walkable lifestyle Roswell offers."

Never at a loss for things to do, residents will be less than a mile from historic Roswell Square, the Roswell Mill, the shops and restaurants at Canton Street, the Chattahoochee Nature Center and more. Additionally, children living at FrontDoor's Roswell townhome community will have the opportunity to attend top-rated Fulton County schools.

Pre-sales are expected to begin in early 2018. To stay up-to-date on this incredible new townhome community, contact Marketing@FrontDoorCommunities.com.
