A STRONGER, SAFER SEEKONK

PROPOSED SOUTH END FIRE STATION

Faster Response Times. Stronger Coverage. A Safer Community.

WHY A NEW STATION?

The South End of Seekonk has the highest emergency call volume and the longest response times. A new fire station will improve response times, strengthen coverage, and ensure our firefighters can continue to provide exceptional service as our community grows.

- **Faster response times** for emergency medical, fire, and rescue calls
- **Improved coverage** for the growing South End
- **Enhanced firefighter safety** with reduced travel distances
- **Stronger support for residents,** businesses, schools, and major transportation corridors

KEY TAKEAWAYS

~60%
of all Rescue/EMS incidents occur in the South district (2024–Sept 2026).

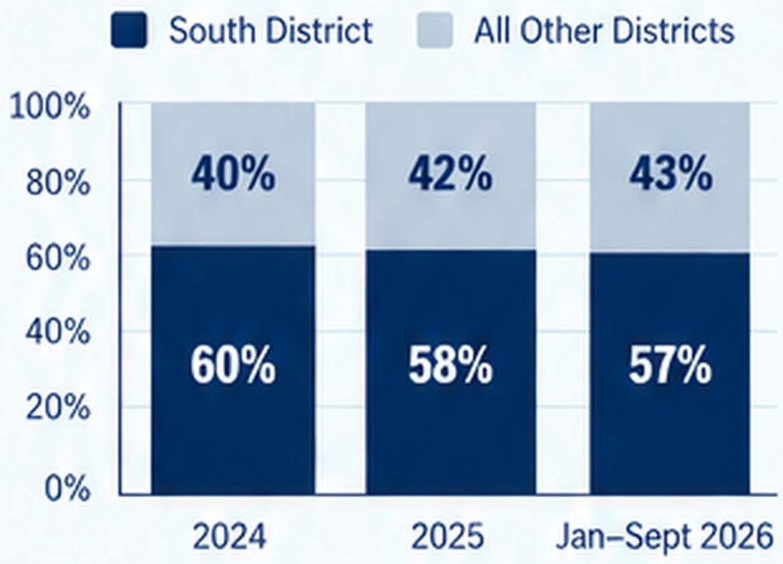

2–2.5 minutes
longer response times in the South district compared to other areas.

56
South district EMS incidents took 10 minutes or longer (Jan–Sept 2026).

A new station will improve coverage, reduce response times, and enhance public safety for all of Seekonk.

SOUTH END CALL VOLUME

The South district consistently accounts for the majority of Seekonk's Rescue/EMS incidents.

Share of Rescue/EMS Incidents

RESPONSE TIMES

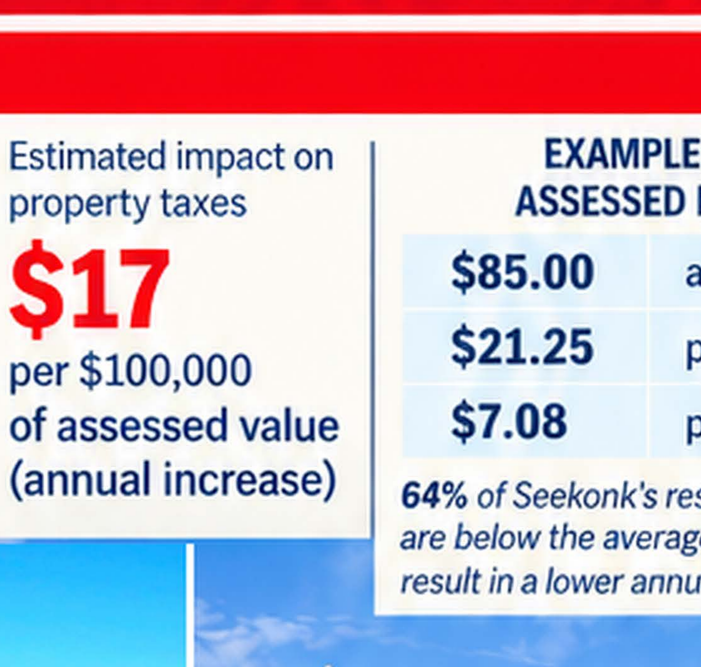

EMS response times in the South district are consistently longer than in other areas of town.

Median EMS dispatch-to-arrival time (minutes)
Lower is faster

CALLS TAKING 10+ MINUTES

The number of South district EMS incidents taking 10 minutes or longer has increased.

South District EMS Incidents with 10+ Minute Response Times

TOWNWIDE EMS DEMAND

EMS calls have remained consistently high, with the South district accounting for the majority each year.

Total Rescue/EMS Incidents

VOTE ON NOVEMBER 3, 2026

QUESTION #10 ON PAGE 3

PROJECT COST & TAX IMPACT

Estimated annual cost (Principal & Interest)

$765,867

for 20 years
(4.75% interest rate, level-funded scenario)

Estimated impact on property taxes

$17

per $100,000 of assessed value (annual increase)

EXAMPLE: $500,000 ASSESSED HOME VALUE

$85.00	annual increase
$21.25	per quarter
$7.08	per month

***64%** of Seekonk's residential properties are below the average tax bill, which would result in a lower annual increase than $94.94.*
