

*BEST OF THE BEST*  
**METRO DENVER GREEN HOMES**  
**FREE VIRTUAL TOUR & EXPERT TIPS**

Starting Saturday, October 3<sup>rd</sup>, 2020

Home in on Comfort, Savings and Clean Air!

[www.MetroDenverGreenHomesTour.org](http://www.MetroDenverGreenHomesTour.org)

**How are your neighbors living better AND saving money, while helping us all breathe easier?** Find out at the annual Metro Denver Green Homes Virtual Tour. The Tour and Expert Tips will be online starting Saturday October 3<sup>rd</sup>!

Join the tour from the comfort of your couch, with video walk-throughs, insights and useful information. Online, you'll get to visit some of the BEST homes from over two decades of the Tour in Arvada, Golden, Lakewood and Westminster. Learn the simple secrets that make these homes so comfortable, cost-effective and healthy!

Whether you're looking for a new home or ways to improve your current castle, grab this once-a-year opportunity to tour a variety of homes benefitting from a range of smart "green" strategies. See everything from efficient remodeling options and effective solar designs, to an entire community built around clean, renewable energy. Take your time exploring new homes, updated homes and innovative gardens. Learn practical ways to make your home-sweet-home even sweeter!

Go to [www.MetroDenverGreenHomesTour.org](http://www.MetroDenverGreenHomesTour.org) to register and access the free Virtual Tour and valuable Expert Tips from experienced green home professionals and homeowners! Registration includes the option to support the Metro Denver Green Homes Tour with a donation.

Choose the homes you want to explore and get the inside scoop on how you can enjoy the benefits of better living! Then see expert presentations on money and energy saving upgrades for your home. Hear Bill Lucas Brown from GB3 Energy on "Reducing your Carbon Footprint with an Electric Mini Split"; John Avenson, from PHIUS.org and Steve Nixon from the National Renewable Energy Laboratory discussing "New Home vs Renovation, 2 alternative Paths to Zero Energy"; and Peter Ewers from Ewers Architecture Golden presenting "All Electric Buildings, the Key to our Energy Future."

The virtual tour and presentations will be available on October 3<sup>rd</sup> and remain online. Explore at your leisure!

The tour is part of the American Solar Energy Society's National Tour of Solar Homes, a national virtual tour held from September 28th through October 4th to showcase solar homes, businesses, schools and electric vehicles. You can also sign up for the national tour at: [www.NationalSolarTour.org](http://www.NationalSolarTour.org).

Thank you for choosing The Metro Denver Green Homes Tour, which benefits Solar CitiSuns ([CitiSuns.org](http://CitiSuns.org)) and New Energy Colorado ([NewEnergyColorado.com](http://NewEnergyColorado.com)) – dedicated to public education on the benefits of clean energy.
