HOROSCOPES

ARIES - MAR 21/APR 20

Aries, a chance encounter with an old acquaintance drums up feelings you didn't know you had. Even if these feelings are muted, you can still acknowledge them.

TAURUS - APR 21/MAY 21

Taurus, it is up to you to initiate action over the next several days. The situation may be uncomfortable, but you will be able to handle it.

GEMINI - MAY 22/JUN 21

Gemini, a difference of opinion with a professional colleague surfaces in the coming days. Recognize that you both have the same goal and work together.

CANCER - JUN 22/JUL 22

The next few days will be all about having a good time, Cancer. Others may try to steer you elsewhere, but you are set on enjoying yourself.

LEO - JUL 23/AUG 23

Leo, many things are beyond your control. However, one place where you can take action concerns your personal health. Schedule a well visit soon.

VIRGO - AUG 24/SEPT 22

Virgo, close friends will keep you very busy for the next few days. That will come in handy because you could use a distraction from what's currently on your plate.

LIBRA - SEPT 23/OCT 23

Do not allow impulsive behavior to rule your week, Libra. You need to exercise caution when making decisions over the next several days because they can have a large impact.

SCORPIO - OCT 24/NOV 22

Others cannot quite figure you out lately, Scorpio. It is good to have an air of mystery about you. Keeping everyone guessing may give you a slight advantage.

SAGITTARIUS - NOV 23/DEC 21

Sagittarius, you may resist a social engagement initially because it has been such a busy season. Soon you may come around and be open to a few more parties.

CAPRICORN - DEC 22/JAN 20

Capricorn, if you are thinking about a career change, take a step back and give this decision considerable thought. Look for hints as to the direction you should go.

AQUARIUS - JAN 21/FEB 18

Aquarius, do not surround yourself with negative thought patterns, which could hinder your success. Better to stay positive and embrace those who share your outlook.

PISCES - FEB 19/MAR 20

With eyes on the future and resolutions, now might be the perfect time to go back to school or gain extra skills applicable to your career, Pisces.
