Everyone who collects pledges will receive a Special Edition 2020 Dog Walk face mask with the Heart of the Catskills Humane Society logo on it. Our top three pledge-getters will be awarded an 8x8 Heart Walk Paver engraved with your own personal message and a gift certificate to the Gifts from the Heart Store.

We look forward to making this one of the most memorable and successful dog walk and catnap events ever. Proceeds go directly to operating the shelter and caring for the 200 plus cats and dogs we house daily. ## HCHS To Host Virtual Dog Walk

Again it is time to celebrate and support the cats and dogs at Heart of the Catskills Humane Society (HCHS) and your own cats and dogs at home.

We are doing things a bit differently this year to keep our community of supporters and volunteers safe and healthy. The Woofs & Wags Dog Walk will be done virtually this year. Our theme year is "Dog Walk From Anywhere & Catnap From Home" and we ask all our pledge-collecting participants to walk your dogs anywhere you like - on a country road, in your neighborhood, in a park, on a trail, even on the treadmill at home - and take a photo of you walking with your

dog to share. For our cat people, your mission is to take a catnap at home with your furry felines and share a photo. Don't have a cat or dog at home and still want to participate? Call or email the shelter through Sept. 25 to sign up for a time to walk the dogs or socialize with the cats, and bring your pledges with you.

Pledges can be raised from now through Sept. 25. There are a couple ways to do this. The online fundraising website at [www.dogwalkhchs.org](http://www.dogwalkhchs.org) is set up to accept pledge donations. It is also possible to create your own fundraising page through that site to share with friends and family via email and social media to help raise money for the dog walk.

In addition, you can get a

3, 2020) is an annual event celebrating the freedom to read. Typically held during the last week of September, it spotlights current and historical attempts to censor books in libraries and schools. It brings together the entire book community — librarians, booksellers, publishers, journalists, teachers, and readers of all types — in shared support of the freedom to seek and to express ideas, even those some consider unorthodox or unpopular.

The books featured during Banned Books Week have all been targeted for removal or restriction in libraries and schools. By focusing on efforts across the country to remove or restrict access to books, Banned Books Week draws national attention to the harms of censorship."

In honor of this, our book club will be reading "Beloved" by Toni Morrison. Morrison's novel "tells the story of Sethe, a former slave who was prepared to commit a horrific crime rather than be forced back into slavery with her children. The novel explores the aftermath of her actions, and starkly illustrates the devastation wreaked by the institution of slavery and the legacy of trauma it left for African-American families."

Copies are available on Overdrive/Libby or can be reserved through interlibrary loan by calling the library at 607-865-5929 or visiting [www.4cls.org](http://www.4cls.org) Join Zoom Meeting <https://us02web.zoom.us/j/86060145919> Meeting ID: 860 6014 5919 Dial by your location +1 929 205 6099 US (New York).

We would like to express our thanks to all of those who participated in our Summer Reading Program. Despite the fact that we had to move all of our events to a virtual format, the program was a success. Some highlights include:

- 97 participants signed up for the program.

- Each week, 20 STEAM and craft kits were picked up at the library and completed at home.

- 13 children earned their "Reading 500" badge and were awarded a free ice cream cone at Daisy Queens.

- Cumulatively, the children read 19,401 minutes!

- For every 100 points earned, participants were given an entry into our grand prize drawing, a \$50 Amazon gift card. Congratulations to Delana Wood for being the recipient of that prize.

The REALM team is conducting research on how long the COVID-19 virus survives on materials that are prevalent in libraries, archives, and museums. recreational opportunities," DEC Commissioner Basil Seggos said. "With these proposed revisions, DEC is putting forward a plan to help expand the trail system and offer mountain biking, cross-country skiing, and hiking for visitors to the majestic Catskills, and we continue to encourage everyone enjoying the outdoors to recreate responsibly."

The original management plan for the Shandaken Wild Forest was completed in 2005. Since that time, DEC has acquired 1,200 acres on the eastern slopes of Belleayre Mountain, 610 acres of which were added to the Shandaken Wild Forest.

In 2019, with funding from the Catskill Watershed Corporation, the contractor Tahawus Trails was hired to develop a conceptual trail plan for these acquisition lands that were added to the Shandaken Wild Forest and Belleayre Mountain Ski Center Intensive Use Area. A public meeting was held on Jan. 18, 2018, at Belleayre Mountain Ski Center Discovery Lodge where Tahawus Trails/Sinuosity LLC presented the conceptual recreation plan. Public

comments were accepted and the proposals and were incorporated into the 2020 draft Shandaken Wild Forest Unit Management Plan. The draft 2020 Shandaken Wild Forest plan proposes:

- Developing 10.1 miles of new and improved multi-use trails on the newly acquired lands on Belleayre Mountain that are now a part of the Shandaken Wild Forest;
- Building an accessible fishing platform to expand fishing opportunities on the Allaben parcel;
- Removal of buildings and debris on the Lower Birch Creek parcel that pose a threat to public health and safety;
- Improvements to the impoundment on the Lower Birch Pond on the Lower Birch Creek parcel; and
