Audubon Offers I Program and Materials for Teachers and Homeschool Parents

By late March 2021, Delaware-Otsego Audubon Society will offer free access to a special program to members through a special opportunity provided by the New Bedford Symphony Orchestra in Massachusetts. The program and correlating educational materials will also be available at no cost to any educator in our region as well as homeschool programs. Teachers and parents can sign up using a contact form from doas.us/contact-us.

Participants can explore the exciting connection between bird flight and musical motion in this concert video with accompanying teacher's guide and curriculum. The video features performances by the New Bedford Symphony Orchestra and NBSO Education Trio with special guests Heloise Degruillier, recorder soloist performing the world premiere of Jamie Allen's Nightingale Concerto. The video also includes an interview with Xavi Bou, photographer for the Ornithographies Project, a video featuring David Lentink from Stanford University's bird flight and robotics lab and a visit with Sam Claggett, conservation education specialist from the Butternut Park Zoo with a special bird guest. The

orchestra and trio will perform works by Haydn, Mendelssohn, Vaughan Williams, Strauss and Derek Bermel's Murmurations.

The teacher's guide will provide music, science, writing and visual art activities that further the bird flight pattern and music exploration. Activities include a starling murmuration interactive lesson with student-made "starlings on a stick," play-along flap and glide melodies with the NBSO trio, thermal currents soaring experiment, music composition and improvisation activities, NBSO musician videos and much more.

Educators and homeschool parents may sign up at doas.us/contact-us to receive access to the concert video and the teacher's guide with clickable links to music videos, activity demonstrations etc.

The Delaware-Otsego Audubon Society (DOAS) offers programs year-round that are free and open to the public including member meeting programs, bird-watching field trips and special events. DOAS operates the Franklin Mountain Hawkwatch, hiking trails and a summer day camp program at the Audubon Sanctuary south of Oneonta.

Rep. Delgado Votes to Advance COVID-19 Small Business Relief

U.S. Representative Antonio Delgado (NY-19) voted to advance \$50 billion in critical COVID-19 small business relief. This funding will be included in Congress's next comprehensive COVID-19 relief package.

"Programs like PPP and EIDL have helped thousands of small businesses across my district during the COVID-19 pandemic," said Rep. Antonio Delgado. "This package delivers \$50 billion in small business assistance to replenish existing assistance mechanisms and create new programs, like the Restaurant Revitalization Fund. This legislation also ensures folks are aware of and can apply to loan and grant programs by working with community partners. I am proud to advance this package, which will have a meaningful impact on mom and pop shops, restaurants, live venues, family farms, and independent producers across upstate."

The House Small Business Committee COVID-19

Relief Package Includes:

- \$25 billion for the creation and implementation of the Restaurant Revitalization Fund to provide necessary financial assistance to restaurants and other food and drinking establishments.

- \$15 billion for adding more funds to the Targeted Economic Injury Disaster Loan (EIDL) Advance program and addresses any potential funding shortfalls to ensure that remaining eligible businesses can access

HSM adds new board member, names painting winner

The Historical Society of the Town of Middletown (HSM) welcomes its newest Trustee, Josef Schoell of Margaretville.

Josef was elected by members who cast their ballots by mail. He succeeds Anne Sanford of Halcottsville, who stepped down after several years on the Executive Committee.

The newest board member recently retired from a career as a CPA and CFO of two biotech firms. He and his family have enjoyed vacations in the home his father found in the 1960s. He is a fan of nonfiction history books and, with wife Vicki, feels strongly that history must be preserved for future generations.

Re-elected to a three-year term on the HSM board was Trustee Barbara Moses. The following officers will serve for another year: President Diane Galusha, Vice President Bill Blish, Secretary Amy Taylor and Treasurer Marilyn Pitetti. Other Trustees include Henry Friedman, Agnes Laub, Pat Moore and Doris Warner.

HSM closed out its truncated 2020 season by drawing the winning raffle ticket for an original painting by the late John Hopkins. Jack and Nancy McShane of Andes were the winners!

The organization’s annual luncheon and meeting did not take place as planned on Oct. 24 because of the pandemic. Instead, a report on activities

during the past year was sent to members by mail. Some highlights:

- An interim archives has been established in Margaretville and historic materials are being sought to add to the collection. The archives will be open for donations on the first Monday of the month, between 10 and 2. Call 845-586-4973 to make an appointment for those or other days. The archives is located in the garage behind Fairview Public Library on Walnut Street.
- The 4th Annual Relic Hunt by Nor’easters Metal Detecting Club was a big success. The owners of 10 historic properties welcomed 35 hunters who found an assortment of interesting metal items beneath the sod during an August weekend.
- Fifteen volunteers spent time cleaning and inventorying headstones at three cemeteries in Margaretville and Halcottsville. You can find the expanded inventories at dcnyhistory.org.
- The Executive Committee continues to explore options for developing a permanent archives and expanding its program hall. A total of 117 donors have contributed to the Campaign for a Middletown History Center.

Visit mtownhistory.org to learn more about local history and to become a member of HSM.

AL MICHAELS NAMED 2021 FORD C. FRICK AWARD WINNER FOR BROADCASTING EXCELLENCE

COOPERSTOWN, NY – Al Michaels, whose passionate and authoritative voice was the nationwide soundtrack of the game for more than a decade, has been selected as the 2021 recipient of the Ford C. Frick Award, presented annually for excellence in broadcasting by the National Baseball Hall of Fame and Museum.

Michaels will be recognized during the Hall of Fame Awards Presentation on Saturday, July 24, as part of Hall of Fame Weekend 2021. Michaels becomes the 45th winner of the Frick Award, as he earned the highest point total in a vote conducted by the Hall of Fame's 15-member Frick Award Committee.

The final ballot featured broadcasters whose main contributions were realized as national announcers, identified as the National Voices ballot. The eight finalists were: Buddy Blattner, Joe Buck,

Dave Campbell, Dizzy Dean, Don Drysdale, Ernesto Jerez, Dan Shulman and Michaels.

"For a generation of fans in the late 1970s and early 1980s, Al Michaels delivered the narrative for some of baseball's most memorable games during a time when cross-country broadcasts were communal experiences for millions of fans," said Tim Mead, President of the National Baseball Hall of Fame and Museum. "Combining a love of the game with a unique ability to quickly distill moments in time into powerful word-pictures, Al also was masterful at pacing the broadcast to allow his partners the chance to shine. In the heyday of national network broadcasting, Al Michaels was the voice of the baseball."

Born Nov. 12, 1944, in Brooklyn, Michaels attended Dodgers games at Ebbets Field while growing up and followed the team

on radio via legendary voices like Red Barber and Vin Scully.

After attending Arizona State University, Michaels was hired to do public relations for the NBA's Los Angeles Lakers, then moved to Hawaii, where in 1968 he became the broadcaster of the Pacific Coast League's Hawaii Islanders and also called football and basketball games for the University of Hawaii. Michaels became the lead announcer for the Cincinnati Reds in 1971 and then the San Francisco Giants in 1974.

Michaels joined ABC Sports in 1976 as a backup announcer for Monday Night Baseball, the beginning of a 30-year tenure with the network. He became lead announcer of Monday Night Baseball in 1983 while calling an array of other sports, including nearly two decades of Monday Night Football and calling the Miracle on Ice at the 1980 Win-

ter Olympics.

As ABC's lead baseball voice, Michaels called the thrilling Game 5 of the 1986 ALCS between the Boston Red Sox and California Angels, where the Red Sox rallied from a three-run deficit in the ninth with the Angels one out away from clinching the series. He also was prepared to cover Game 3 of the 1989 World Series between San Francisco and Oakland when the Loma Prieta earthquake occurred, causing widespread damage and delaying the Fall Classic for several days.

Michaels returned to NBC Sports in 2006 and continues to work there today as the voice of the network's Sunday Night Football package. His many honors include eight Emmy Awards, three National Sportscenter of the Year awards from the National Sportscenter and Sportswriters Association (NSSA), and a star on the Hollywood Walk of Fame.

The 15-member Frick Award voting electorate, comprised of the 12 living recipients and three broadcast historians/columnists, includes Frick honorees Marty Bren-

AL MICHAELS NAMED 2021 FORD C. FRICK AWARD WINNER FOR BROADCASTING EXCELLENCE

continued from page 4

naman, Bob Costas, Ken Harrelson, Jaime Jarrín, Tony Kubek, Tim McCa- rver, Denny Matthews, Jon Miller, Eric Nadel, Vin Scully, Bob Uecker and Dave Van Horne, and his- torians/columnists David

J. Halberstam (historian), Barry Horn (formerly of the Dallas Morning News) and Curt Smith (historian).

The list of eight Frick Award finalists was con- structed by a subcommit- tee of the electorate that

included Costas, Mat- thews, Nadel, Smith and Van Horne. The Ford C. Frick Award is voted upon annually and is named in memory of the sports- writer, radio broadcaster, National League president

and baseball commission- er. Frick was elected to the Hall of Fame in 1970.

As established by the Board of Directors, criteria for selection is as follows: “Commitment to excel- lence, quality of broadcast- ing abilities, reverence within the game, popular- ity with fans, and recogni- tion by peers.” To be con- sidered, an active or retired broadcaster must have a minimum of 10 years of continuous major league

broadcast service with a ball club, network, or a combination of the two.

The National Baseball Hall of Fame and Mu- seum is an independent not-for-profit educational institution, dedicated to fostering an appreciation of the historical develop- ment of baseball and its impact on our culture by collecting, preserving, ex- hibiting and interpreting its collections for a global audience as well as honor-

ing those who have made outstanding contribu- tions to our National Pas- time. Opening its doors for the first time on June 12, 1939, the Hall of Fame has stood as the definitive repository of the game’s treasures and as a symbol of the most profound indi- vidual honor bestowed on an athlete. It is every fan’s “Field of Dreams,” with its stories, legends and magic shared from generation to generation.

The new John Deere Mechanical Self-Leveling Loader option.

This new loader option starts level and stays level from start to finish. The 20% to 40% greater lift capacity, when compared to our non-self leveling loaders, is well grounded too. The option is available on John Deere 1 Series, 2 Series and 3E Tractors with John Deere 120R, 220R and 300E Loaders. Talk to your John Deere Dealer today

To be absolutely level with you, there is no way a house of cards could remain balanced and upright lifted up and down on a pallet. Doesn't change the fact that our Mechanical Self-Leveling Loader stays level from it's lowest point to its highest. And vice versa. Now, that's level.

Refer to your John Deere Operator's Manual for specific instructions for your Compact Utility Tractor and add ballast as recommended in your John Deere Loader Operator Manual.

Rep. Delgado Meets with Elected Officials in Broome and Delaware Counties to Discuss Local Government Funding

U.S. Representative Antonio Delgado (NY-19) met with elected officials from the Village of Deposit, Town of Sanford, Town of Roxbury, Town of Bovina, and Delaware County Feb. 16 to discuss direct federal COVID-19 relief.

Last week, House of Rep-

resentative Committees released their COVID-19 relief package framework. The package includes an estimated total of more than \$400 million in direct federal funding to counties, towns, and villages across New York's 19th Congressional District.

Rep. Antonio Delgado worked with his colleagues to incorporate this funding formula in the latest House COVID-19 package.

"Local governments need direct COVID-19 relief to continue essential services and get shots in residents' arms," said Rep.

Antonio Delgado. "Since last May, I've been working to secure federal dollars for our rural communities. My funding formula, which is included in the latest House relief proposal, would deliver over \$400 million to counties, towns, and villages across NY-19. Today's meetings made it clear -- folks need direct federal funding immediately."

"Congressman Delgado is a great asset to the rural

areas in his district," said Village of Deposit Mayor Bryan Moore. "I am a Republican and support Mr. Delgado as I truly believe he is bipartisan and party affiliation means nothing. At the end of the day we need to put politics aside and work together. Congressman Delgado understands just how important this is to get some real work done and provide aid to the American people."

"Delaware County needs

direct federal COVID-19 relief," said Board of Supervisors Chair and Town of Bovina Supervisor Tina Molé. "We are doing everything we can on the ground to protect residents and continue essential services, but we need assistance from Congress. Representative Delgado has been fighting for months to get our community funding, and I thank him for his work to secure this critical aid."
