Wednesday, Dec. 20

Organ Music in the Catskills: Organ and Trumpet Concert at First Presbyterian Church of Stamford NY: The First Presbyterian Church of Stamford, NY will present a holiday organ and trumpet recital featuring organist Eddie Zheng and trumpet player Vincent Yim on Wednesday, December 20th at 3pm. Zheng and Yim, both students at The Juilliard School in New York City, will perform festive works by composers J.S. Bach, Couperin, Dupre, Guilman, Howells, Stanley, and Telemann. The historic sanctuary organ of First Presbyterian Church by Hook and Hastings dates from 1891 and is an unaltered example of early American organ building. About the performers: Driven by a passion to bring the beauty and grandeur of organ music to wider audiences, Eddie Zheng is a rising concert organist who's performances have been "rapturously received" by diverse audiences around cities across the United States, Canada, France, and China. He has won several prominent competitions, including first place awards at the 2018 Albert Schweitzer Organ Competition and the 2019 AGO Quimby Northeast Regional Competition. In addition to concertizing, Eddie is dedicated to broadening the appreciation of organ music and engaging with audiences of all ages through service playing and teaching. He currently serves as Assistant Organist at Saint Igna-

tius of Antioch Episcopal Church in New York, where he maintains a thriving teaching studio with organ students of all ages. Eddie's journey with the organ began at the Juilliard Pre-College division, where he studied with Matthew Lewis before earning his combined BM/MM degree from Juilliard with Paul Jacobs. He currently continues his study with Jacobs in the Artist Diploma program at Juilliard. A creative force in the world of organ music, Eddie is constantly exploring new ways to bring the beauty of the organ to new audiences and contexts. A part-time resident of the Catskills in New York, Eddie founded the 'Organ Music in the Catskills' series in 2021 (now planning its sixth concert), which brings recitals featuring organ, piano, chamber, and vocal music to enthusiastic audiences in the region. Born in 2002, Vincent Yim started his studies in piano at age 5, and in trumpet at age 8, his teachers were Mr. Kelvin Ngai, Mr. Fung Ka Hing, and Ms. Sierra Tse. Vincent is a proud recipient of the Kovner Fellowship at the Juilliard School and is currently studying under Mr. Raymond Mase and Mr. Chris Martin, principal trumpet of the New York Philharmonic Orchestra. Over the past decade, Vincent has been an active participant in various orchestras in Hong Kong. He played with the Hong Kong Sinfonietta, and was principal trumpet in the Pro Arte Orchestra of Hong Kong, the Hong Kong Youth Symphony Orchestra, and the HKAPA Junior Symphony Orchestra. There will be a free-will offering at the door, with a suggested donation of \$5. Light refreshments will be served following the performance. The church is at 96 Main St. in Stamford. Visit <https://www.eddiezheng.com/concerts/stamford-organ-recital-2023> for more information.

PO BOX 384
WALLINGFORD, CT 06492-0384
Facility: AMPHENOL CORP - AEROSPACE OPERATIONS
40-60 DELAWARE AVE
SIDNEY, NY 13838
Application ID: 4-1250-00018/00156
Permits(s) Applied for: 1 - Article 17 Titles 7 & 8 Industrial SPDES - Surface Discharge
Project is located: in SIDNEY in DELAWARE COUNTY
Project Description:
The Department has prepared a draft permit and has made a tentative determination, subject to public comment or other information, to approve a renewal and modification to the State Pollutant Discharge Elimination System (SPDES) Permit No. NY0003824.
The permitted facility is an existing private industrial facility that generates effluent from process waste streams. The facility provides monitoring, sampling, and treatment for the effluent prior to transport to the Village of Sidney Sewage Treatment Plant. A renewal and modification of SPDES permit NY0029271 issued for the Village of Sidney Sewage Treatment Plant is being proposed concurrently with this notice under Application ID 4-1250-00008/00001. The municipal treatment plant combines the facility effluent with domestic wastewaters for further treatment and discharges to the Susquehanna River, a class B water.
In addition to renewing the permit, a full technical review has been undertaken and updates to the following parameters are proposed: Chesapeake Bay TMDL limitations and incorporation of existing requirements for total nitrogen, nitrate, nitrite, and total phosphorus; pH, temperature, Mercury, Whole Effluent Testing (WET), hexavalent chromium, total iron, total manganese, total cyanide, total silver, Total Suspended Solids (TSS), cadmium, chromium, copper, lead, nickel, zinc, oil & grease, settleable solids, free cyanide, Total Toxic Organics (TTO), Total Residual Chlorine (TRC), sulfite, color, beryllium, aluminum, barium, hardness, flow, chloroform, methylene chloride, and trichloroethylene, among others associated with multiple facility outfalls as listed in the draft permit and factsheet.
Additional changes proposed to the permit include updates to the outfall information, Stormwater Pollution Prevention Plan (SWPPP) requirements, a solvent management plan, schedule of additional submittals, and an emerging contaminant short-term monitoring program, among other changes detailed in the draft SPDES permit and fact sheet.
As a result of the EBPS full technical review, a new five-year permit term is proposed.
The draft SPDES permit with fact sheet are available online at <https://dec.ny.gov/fs/projects/draftpermits>. The draft permits files are contained within regional folders and named by the SPDES number contained in this notice.
Requests for a public statement hearing must be sent in writing to the DEC contact person below by the comment deadline. The Department assesses such requests pursuant to 6 NYCRR Section 621.8.
Refer to this application by the application number listed above and SPDES Number NY0003824.
Availability of Application Documents:
Filed application documents, and Department draft permits where applicable, are available for inspection during normal business hours at the address of the contact person. To ensure timely service at the time of inspection, it is recommended that an appointment be made with the contact person.
State Environmental Quality Review (SEQR) Determination
Project is an Unlisted Action and will not have a significant impact on the environment. A Negative Declaration is on file. A coordinated review was not performed.
SEQR Lead Agency None Designated
State Historic Preservation Act (SHPA) Determination
The proposed activity is not subject to review in accordance with SHPA. The application type is exempt and/or the project involves the continuation of an existing operational activity.
DEC Commissioner Policy 29, Environmental Justice and Permitting (CP-29)
It has been determined that the proposed action is not subject to CP-29.
Availability For Public Comment
Comments on this project must be submitted in writing to the Contact Person no later than 01/12/2024 or 30 days after the publication date of this notice, whichever is later.

Calling All Middle School Students!

Share your ideas and show off your citizenship skills in the National Civics Bee.

About the Bee

The National Civics Bee is an annual competition that encourages young Americans to engage in civics and contribute to their communities. In the first round of the contest, students will participate in an essay competition. Judges will then select 20 finalists to participate in the final round: a live quiz event testing civics knowledge.

How to Enter

If you are a 6th, 7th, or 8th grade student with an idea about using civics to solve a problem in your community, review the rules and guidelines on this page:
<https://delawarecounty.org/events/national-civics-bee/> (case sensitive)

Next, complete the online submission form, including contact information for your parent or guardian, and upload (preferred method) or mail your 500-word essay.

DEADLINE: Essays must be received by January 8, 2024 at 11:59 p.m.
