# A Message from the Co-Presidents

Welcome!

Ken Ringering and Karen Adams-Griggs are honored to represent Capital Lakefair as the 2024 Co-Presidents. We look forward to celebrating our community, and our theme this year is "Love is the Magic of Lakefair." Karen grew up in the Olympia area, and has been a part of Lakefair her whole life. Ken and his wife Chris have been volunteering for Lakefair since 2007, we both bring a wealth of love for our community and what

it represents. It has always been a summertime favorite since 1957 that we look forward to every year.

The Capitalarians look forward to celebrating some Lakefair traditions and hopefully bringing forward new ones to you and your families.

Did you know that Capital Lakefair started as a community event 67 years ago, to celebrate the waterfront and bring people to downtown businesses? The first celebration was in 1957, with a "Lady of the

Lake" who rode on a boat in the parade. It has grown over the last 6 decades to what it is today, a place for families and friends to come together for some food, carnival rides, an incredible parade, and live entertainment. Capital Lakefair would not be what it is today without the support of our community and local businesses.

We would like to personally invite everyone to come to help us celebrate 67 years of Lakefair, July 17-21 2024.

Sincerely,  
Co-Presidents  
Karen Adams-Griggs  
and Ken Ringering

Larrel O'Keefe  
1st Vice President

Kelli Morgan-Ayres  
Secretary

Neil Turner  
Treasurer

## MISSION STATEMENT:

*We, as Capital Lakefair, provide a family-friendly community festival annually in the 3rd week of July:*

*To celebrate our area youth by offering scholarship programs and activities that highlight their academic, artistic talents and community spirit;*

*To offer our non-profit organizations the opportunity for fundraising for their local charities through the annual Capital Lakefair Festival; to celebrate and recognize the Armed Forces and their families in the South Sound area;*

*to promote, recognize and maintain a positive business relationship, year round, between communities and organizations throughout the South Sound Region of Puget Sound; to act as a professional goodwill ambassador organization both during the Capital Lakefair Festival celebration and throughout the year.*

# 2024 Capital Lakefair Sponsors

## Capitol Lake for 5 days of fun, food and community spirit!

This is achieved by the generosity and partnerships forged with local businesses and other organizations who want to get involved and give back. As a 501(c)3 non-profit organization, Lakefair is made possible by the support of our sponsors, donors and operations from the annual summer festival.

Lakefair Week is a great venue that attracts more than 200,000 visitors to the area and sponsors have access to a variety of flexible marketing opportunities to help get their business noticed. Contributions are also tax-deductible.

## ~ Community Sponsors ~

Contributions of any amount help us continue providing annual summer entertainment for our neighbors in the South Sound. This includes funding the Lakefair Scholarship Program open to students from area high schools, supporting local non-profit groups and other community outreach efforts throughout Thurston County and across the Pacific Northwest.

# History of Capital Lakefair

In 1957 there was no Capitol Lake Park (soon to be Heritage Park). Two industrial firms occupied the corner of 5th and Water Streets, their buildings extending out over the water on pilings.

To beat the heat and summer boredom, several civic minded Olympians sponsored a small carnival on the shores of Capitol Lake, on West 5th. Local non-profit service clubs ran food concession booths set up on the south end of Water Street beyond the industrial firms. Events during the carnival included a diving show, a hydroplane race and fireworks display at Steven's Field. State Baton Twirling

contests were held during the day and teen dances at night and Square Dancers came from all over the Northwest to perform.

This was the start of an annual event. The budget at the beginning was less than \$500. In 1959 a parade was added and the budget had grown to \$1,400.

In 1961 Lakefair had its first float which traveled around the state representing the community and taking honors at the Seattle Seafair Parade. There were 110 units entered in our "Grand Twilight Parade."

The state's Diamond Jubilee was celebrated in 1964 and Lakefair Buttons recognized this state event.

Over 75,000 viewed the Grand Twilight Parade. During the late 60s and early 70s the main attractions were water oriented events. They included water skiing, sailboat races, swimming competitions, log rolling and water polo.

In 1966 Lakefair had a world champion diver who climaxed his act by diving off the top of an 80 foot crane into eight feet of water. Senator Henry M. "Scoop" Jackson was the Parade Marshall in 1970. The Canadian Naval Training Vessels made annual visits during the 1980s.

An Arts & Crafts Show was added in 1986. In 1987 Lakefair added a Car Show.

Beyond all the fanfare, hoopla and crowning of Queens, Lakefair stands out in our communities because it goes beyond doing away with summer boredom. It contributes to the economy of our communities. Many local charitable organizations use the Lakefair food concessions as their main fund raising event of the year.

Capital Lakefair is Olympia's only festival and hospitality organization. Today its budget is approximately \$300,000 and all year is spent planning, preparing and raising money for this 5-day festival that brings a major influx of tourists into our communities.

2024 Lakefair Queen  
**Mary Bayle**

# 2024 Lakefair Queen Mary Bayle

My name is Mary Bayle, and I am a junior representing Capital High School. I participate in Capital's cross country and track team, as well as the Washington Student Cycling League. I have been lucky enough to be afforded the amazing opportunity of representing Lakefair as this year's queen. I am eager to engage with my community through various volunteer events, whether it is painting kid's faces, or

working with impactful groups such as Kiwanis and Zonta. Currently, I am working towards earning my IB diploma, and I intend to further my education after high school by attending a four-year college. I hope to get into the Air Force Academy or attend a California school for its great marine biology classes. I am looking forward to becoming closer with my fellow court, and excited for all the adventures we will soon have.

Boston Harbor Photography

# Capital Lakefair 2024 Candidates

## Princess Sarah Barry

Hey there! I'm Sarah Barry and I represent Rainier High School. As a Lakefair ambassador, I am so excited to be involved in my community! Lakefair has allowed me to come out of my comfort zone, and make a positive impact in various ways. So far I have enjoyed the princess tea party and the Wenatchee parade, despite getting soaked from all the rain! I pride myself on never being afraid to try new things, even if that means being the person who sticks out in a room. As Tyra Banks once said "Never dull your shine for somebody else."

## Princess Charlie Culley

My name is Charlie Culley, I am one of a handful of incredible girls blessed to be a part of this year's royalty court for Lakefair. I am a junior at Black Hills High School and I am so stoked to see what this year will bring. After high school, I plan to go to a community college. Beyond school I plan to serve as an overseas missionary, going wherever God calls me to. I signed up for Lakefair not thinking it would go anywhere. However, beyond imagination, I've wound up being surrounded by such loving girls which I get to experience all that is Lakefair with. Already, just a few months in, I can feel the positive impact that this has had on my life. I never imagined that I could feel comfortable public speaking let alone enjoy it. I'm engaged in a couple of clubs within my school. Next year, thanks to the confidence I've built through this experience, I'll be joining some of the club's leadership, representing the club as Vice president. Again I'm so stoked to see where this will lead me!

## Princess Sydney Peters

My name is Sydney Peters and I am proudly representing Olympia High School! This opportunity has been amazing and I've loved being a part of the Capital Lakefair's Royalty Court. I am so thankful for the privilege of representing my community through Lakefair. I'm a very active member of my community, Olympia High School, and Olympia itself. Alongside my several advanced placement classes, I'm a member of multiple clubs, such as being VP of Earth Corps and Climate Action Club, as well as being involved with 4 other clubs. I'm also a varsity player on my school Girls Golf team. In the general community, I'm an active volunteer. Whether it's park clean-ups at Squaxin Park or helping at the Food Bank. Lakefair has been an amazing opportunity to

further my connection with my community. I plan on using the skills I've learned from Lakefair to build connections with my future communities such as when I go to college. My current plan is to attend the University of Washington and study environmental science. After getting my undergraduate, I plan to attend law school. Once more, I'm so thankful for this opportunity and I cannot wait for this year with Lakefair!

## Ambassador Natalya Hayes

Hello, I am Natalya Hayes, a junior at Avanti High School. I am currently a Community Ambassador. I have a passion for art, travel, and adventure. Serving as a Lakefair community ambassador has been a wonderful opportunity for me to come out of my shell and help out in the community. So far I have painted kids' faces, helped out at the Princess Tea Party, and volunteered at the Bob Leingane fishing day where I helped young children catch rainbow trout. Since I have participated in so many activities that I had never tried before, I am looking forward to participating in more. I have come to realize that I have a passion for trying new things. It's inspired me to look into studying abroad. I will also write and illustrate graphic novels. I have plans to attend college and earn double majors in a career of my choosing and graphic design as well as business classes to help me become an entrepreneur.

## Ambassador Kiana Richards

My name is Kiana Richards and I am a 16-year-old community ambassador representing Timberline High School in this year's Lakefair program. I originally applied for the Lakefair scholarship as a way to further connect with my local community. I've also done this at Timberline through my work as the public relations officer for the National Honors Society, and participating in choir, orchestra, and theater. I also take a vigorous class load including three AP classes and an honor class. After high school, I plan on attending a 4 year school and majoring in architectural design and maybe dance. Outside of school, I dance with Ballet Northwest and Johansen's Olympia Dance Center doing jazz and ballet. By participating in Lakefair this year I have learned to talk with a wide variety of people and am learning different skills through my volunteer services, including how to fish! My favorite activity so far has been the Princess Tea Party because I learned to help serve food and even worked on frosting cupcakes. The best part however was dancing with all the kids during the dance party. In the future, I look forward to doing more face painting and bettering my art skills on a moving canvas!

## Capital Lakefair Scholarship Program

The Royalty tradition began with the first Lakefair in 1957, and the Scholarship Program was established years later in 1975 by Capitalarian Dee Hooper. It continues to be one of the most recognized scholarship programs in the Pacific Northwest and has awarded more than \$500,000 in funding to date. The program is currently sponsored by our partners at Olympia Federal Savings.

Members of the Royalty Court participate in all aspects of Capital Lakefair throughout the season. It provides an educational opportunity for participants to learn about themselves, our community and prepare

for higher education and adult life. In addition to local events, members visit communities around the Pacific Northwest from Oregon to British Columbia as they travel with the Lakefair Float to other festivals.

Each member of the Court receives a \$3,000 scholarship, the Queen an additional \$2,000, and remaining candidates \$500 each. The funds may be applied to any form of higher education including a traditional degree, trade school or vocational training program.

The process begins with each participating school selecting a representative by December to become

2024 Royal Court and Co-Presidents Karen Adams-Griggs and Ken Ringering.

their candidate for the Royalty Court. In early February, candidates take part in a one-day event that includes a panel discussion, individual interviews with 5 independent judges from the business community, and a speech on a predetermined subject. Once complete, five young women will be nominated at Coronation to serve on the Court, one

of which is named Lakefair Queen.

Complete information on the program and how to apply is available from the local high school counselors or career center. Prerequisite requirements are being a fully enrolled high school junior, 3.3 or better GPA, complete application with two letters of recommendation and a 500 word essay.

# 2024 Grand Marshal George Sharp

George has been chosen as the 2024 Capital Lakefair Grand Marshal. He was selected for his long-time volunteerism at many festivals, events, organizations, and communities. George works for the Thurston Economic Development Council (EDC) as the Rural Program Manager. George is a festival coordinator and a board member of the WFEA (Washington

Festival & Events Association), and you could say he lives for a good festival, it all started back in 1989 when he volunteered to be the first Tase T. Lentil Mascot for the National Lentil Festival in Pullman, and it has continued to this day. He attends and supports many festivals, ranging from Boo-Coda Spook-Tacular, Oregon Trail Days, Rochester Swede

Day, Rainier Bluegrass Pick'n Party, and our own Capital Lakefair. If you are looking for George on a weekend in the summer, he will more than likely be

attending a festival somewhere. George was 2015 Lakefair President and his favorite role was being a float driver for Lakefair, participating in more than 30 parades across the Pacific Northwest. He was instrumental in helping Lakefair survive through the COVID years by securing grant funding. George has been married to his amazing wife Stacy Guettinger Sharp for 36 years, with two incredible children, and celebrates the joys of being a grandfather for the first time.

# Parade One of the Largest in the South Sound

WHEN: Saturday, July 20, 2024 @ 4:45 pm

The annual Lakefair parade promises to be an exciting event this year, one not to be missed.

There are approximately 100 entries from around the Northwest.

The parade features military, youth and persons from around the world who call our area home.

It starts off with festivities at 4:45 to get the event going, and leads onto the parade at 5pm.

The parade runs for about two hours.

As one of the largest in the south sound area, it requires a planning committee working from January up until parade day organizing

all the fine details.

There are more than 100 volunteers who assist in making sure everything runs smoothly.

The types of jobs that are being performed are parade entry and welcoming, judging, hosting, laying out the entire lineup and then assisting at the conclusion of the parade.

Many thanks to all of the volunteers and other community organizations who come forth to help with the parade.

Annually more than 1,000 volunteer hours go into planning, preparing and completely rebuilding the Capital Lakefair float for the

upcoming season.

After the final parade everything from the previous seasons float is removed down to a base frame.

The float is then fully serviced and checked out mechanically. The chassis was specifically built and is powered by the engine and driveline of 1979 Dodge Dart.

Once deemed sound, construction begins. The entire steel framework is then clad in plywood sheeting that serves as the foundation for the new design. The Committee works alongside the standing president to design a new

float that reflects the current years theme.

Parade season extends from early April with the Daffodil Festival and concludes early December with the Olympia Holiday Parade. Throughout the year the Float travels to 16 communities spread across Washington, Oregon and British Columbia. The float truck and trailer alone are scheduled to travel nearly 3,500 miles to participate at parades in 2024!

If you would like to become part of the planning process please contact us at [www.lakefair.org](http://www.lakefair.org).

# 2024 Capital Lakefair Food & Vendors

WHEN: July 17-21, 2024 • Noon-11 pm

The vendor booths at Lakefair feature a blend of unique and interesting items created by local artists and craftspeople, as well as a variety of popular commercial items.

Every year food concessionaires line Water Street with a variety of dining options as part of Lakefair Week. These groups are primarily local non-profit organizations, who use sales from the festival as a major source of funding for their annual operations.

# Lakefair Fireworks

Capital Lakefair is proud to bring you the 2024 Grand Finale Fireworks show, starting at approximately 10:00 pm on Sunday, July 21st.

Every year, Lakefair organizers say that each year's fireworks display will be the biggest and best ever.

In 2024, thanks to the generous sponsorship from Washington's Lottery, this is one display you will not want to miss. Capital Lakefair continues to work with the State of Washington, the City of Olympia, and the Fire Marshal to ensure that in 2024 there will be a place along the shores of Capitol Lake for staging the Lakefair Fireworks display.

The show utilizes a wide variety of colors and effects including component shells, patterns, long durations, color change, crackling palms, flitters, gorgeous giant display candles in fanned and crisscross effects, fanned multi-shot barrages, and a shell list unequalled in colors and effects to provide the ultimate in fireworks entertainment, brought to you by Alpha Pyrotechnics.
