Tampa multi-family community owner Robbins Property Associates wins Tampa Bay's Top 100 Workplaces recognition for the fifth time

In addition to achieving recognition as one of the best places to work in Tampa Bay, Robbins Property Associates was awarded the 2018 Appreciation Award

Tampa, FL – April 12, 2018 Robbins Property Associates, a privately-owned real estate management company headquartered in Tampa, has once again received recognition as one of Tampa Bay's Top 100 Workplaces. The awards are presented annually by Tampa Bay Times and tampabay.com. It was awarded to Robbins Property Associates as one of 50 small business employers in a category of companies with 50-149 local employees.

In addition, Robbins bested 99 other companies to receive the 2018 Appreciation Award, something that means a lot to the company's leaders.

Kristi King, Robbins' Chief Operating Officer, said, "Once again, we are honored to be in the company of many successful businesses in Tampa who were nominated by their employees as a Top Workplace. We work hard to create a culture where our team feels like family, and they know their ideas and voices are heard. We are especially proud of the Appreciation Award because it shows we are doing what we say we will do as leaders; ensure our teams know we wouldn't be where we are today without them."

Comments from employees surveyed include: "I feel genuinely appreciated at this company," and, "I'm allowed to work at my fullest potential. I always feel supported and encouraged."

The focus on employee satisfaction is a key to Robbins' success. "Our goal is to provide superior service in the apartment management industry," said Kristi. "That means having the right people in place who develop good relationships with our residents. If our employees are happy, our residents will be happy, too."

The company is currently hiring to fill positions in Florida and Maryland. For more information about Robbins Property Associates, visit <https://www.robbinspropertyllc.com/>
