For Immediate Release

Bass Legend Stu Hamm at Replay Guitar Exchange

Bass Guitar fans take note:
This free EVENT is a must-see
on Friday, June 29th, 2018.

May 22, 2018, Tampa,

Replay is proud to host Bass Legend Stu Hamm for an evening Master Class.

“Looking forward to my appearance at Replay Guitar Exchange,” said Stu Hamm. “My band mate Alex Skolnick was just there and RAVED about it. I have tons of friends and fans in the Tampa/St Pete area and am DYING for a grouper sandwich! I will be playing some pieces from my latest Solo Bass CD “The Diary of Patrick Xavier” as well as all of my hits...and a few surprises!”

Through his innovative work as a solo artist and his contributions as a sideman to Joe Satriani and Steve Vai, Stuart Hamm has firmly established himself as one of the most influential electric bassists of the past half-century. Extending the non-traditional function of the electric bass previously revolutionized by Jaco Pastorius and Stanley Clarke in the 1970s, Hamm helped to reshape the contemporary concept of the bass guitar as an unaccompanied instrument with the utilization of polyphonic, two-handed tapping, slapping and popping techniques, chords, and harmonics.

What: Stu Hamm Master Class
